Sebastian River High School was approved for the Extended Learning Opportunity Grant in February for all students who were under performing on the unit assessment in areas of ELA Writing, Science, U.S. History & MATH. We created and sent home flyers, morning announcements and posted this information on Facebook a week in advance. We started the ELO boot camp on March 2nd -March 16th for all students in grades 9-10. Any student who wanted access to an instructional boot camp coach had the opportunity to receive remedial assistance to correct deficiencies Monday-Thursday afterschool.
