I met with our Leaders of Tomorrow (LOT) and Athletic Directors on Tuesday, March 3 and we brainstormed ideas about African American participation in athletics and extracurricular activities.

Some of the ideas presented were:

1. Identifying needs of programs
2. Financial needs of students?
3. Lack of interest?
4. Exposure?
5. Transportation barriers?

These conversations determined that transportation was a MAJOR barrier. We thought that working with IRC's Go Line could create a pick-up location at SRMS at 6pm each weekday for students to work around this barrier.

One more idea that was generated was, like our male student LOT Club, Coach Johnson was planning on starting a female LOT Club to meet each week on Thursday's after school.

We will follow up on these items in April if possible.

Please let me know if you need anything more.
