

Treasure Coast Elementary School
21st Century Learning Opportunity

Dear Parents:

We are excited to offer an extended learning opportunity for our students again this year. This free program includes homework/academic support and STEAM enrichment activities. Our student will participate in teacher lead team sport activities, art extensions, and many other exciting programs throughout the year.

The program runs each full day school is in session from 3:45pm to 6pm Monday-Thursday and 5:30pm on Fridays. We do not offer the program on early release days or teacher workdays.

Our program fills fast and seats are filled on a first come/first serve basis. If you are interested in having your child participate in this program, please fill out the bottom section of this form and return it to school. We will notify you if your child will be participating or placed on our waiting list by August 20th.

Thank you in advance.

21st Century Program.
