Dear Coletta Murray,

On behalf of myself and the Mardy Fish Children's Foundation Board of Directors, I'd like to congratulate you on being selected as a grant recipient for your Watch the Garden Magic Program. We are delighted to be able to support TCEAGC and continue our alliance to the benefit of our community's children.

Per your grant request, our Foundation will provide \$2,285.00 to TCEAGC for your Program. Your check will be presented within the next two weeks (starting Oct. 2).

As you know, the Foundation funds projects that fit with our mission of providing health, fitness and nutrition programs, keeping kids safe and "in motion". Therefore, we ask that you incorporate our "Six Healthy Habits" into all Kids in Motion programs.

In addition, we are asking all of our grantees to comply with the following:

1. Include the Mardy Fish Children's Foundation logo on all printed items.
2. Incorporate and teach the Foundation's "Six Healthy Habits".
3. Display our Foundation banner, or poster.
4. Fill out attached "Program Evaluation Form" at the end of program.
5. Posting two photos to MFCF social media highlighting awarded program.

We appreciate all that you do with your students and support you in working to make a positive difference in their lives. Together, we can serve these children by teaching them healthy habits that will last a lifetime.

Kind regards,

Nathan Suranofsky
Program and Marketing Coordinator
