Shark Success Story

Data – PLC -Professional Development

Data – how do I access my data? iReady, Unit Assessments, FSA – see Unify directions   PLCs – what is the plan, the purpose
Review class rosters – intervention groups – Tier I instruction, Tier II instruction, Tier III instruction ○ Break rosters apart by ethnicity. Who is struggling? What attempts have you made to support learning – Tiered instruction, MTSS, parent contacts/conferences, additional interventions
iReady data – How many minutes are my students completing? How many lessons are they passing? Deficits/Strengths of Tier II and Tier III students
MTSS concerns/needs

Make Your Mark as a Shark… Thoughts to Consider

What does this mean to you?
Where are we as a school team? Where are your students in your classroom? As a grade level?
Where do we want to go?
