

1:1 Data Chat; for grades 3-5 3/17/20

(canceled due to closed schools – will be rescheduled)

- Review data student-by-student in ELA and Math
 - What students are finding success? What are your next steps to support them?

 - What students are struggling? What adjustments do we need to make to help them be successful?

 - What support do you need from now until FSA to help students achieve success?
