SRHS DATA Review Team

- Your New School Data Review Folder and What's in it!
- Identifying your Bottom Quartile students and Bubble kids is extremely important!
- Are we meeting our Unit Assessment Threshold of 50% or better for each core subject?
- What high yield strategies are working during instruction?
- Are ELL, ESE, and Multiracial students above are below 41% on the Unit Assessments? Are we seeing growth in these particular subgroups?
- What kinds of strategies are we using for ELL, ESE and Multiracial students?
- What's the outlook of our student's graduation status?
- Where do we project our core academic teams to be at this point based on the information below?

ELA	Math (AlG/GEO)	Other HS
Pro	Pro	SCI Pro
LG	LG	SS Pro
BQ LG	BQ LG	Grad Rate
		HS ACC
Total Sum:	% of Total	School Grade

For your reference, the school grade scale is below:

School Grade Scale

A = 62 percent of total applicable points or higher
B = 54 to 61 percent of total applicable points
C = 41 to 53 percent of total applicable points
D = 32 to 40 percent of total applicable points
F = 31 percent of total applicable points or less
