

**Agenda for Grade Level Meetings April 24, 2020 9:00-2:00**

---

*1.17 School leadership teams will use the Florida Early Warning Indicators as displayed in Unify to develop and support interventions for African American students who are not on track to graduate.*

1. Discussion of virtual learning-what's going well, what concerns/frustrations are occurring
2. Expectations for ELA, Math, grading, logs, communication, etc.
3. Review BQ students:
  - What are we doing to help these and all students succeed?
  - What interventions/supports have we put in place during COVID?
  - What interventions remain similar to what was in place prior to virtual learning?
  - Are we offering extra support through ESE Resource, Coaches, etc. ?
  - Are you making extra phone calls, walking students through lessons, etc. ?
  - Is anyone in jeopardy of failing?
  - Is anyone non-responsive?
  - Does administration need to become involved with any family?
