Vision
Dodgertown Elementary is known for its quality education system which engages and prepares all students for success.

Mission
To make a difference by educating, inspiring, and serving all students with excellence.

Motto
Bring Your "**A**" Game

1.17 School leadership teams will use the Florida Early Warning Indicators as displayed in Unify to develop and support interventions for African American students who are not on track to graduate. Data will include attendance below 90%, one or more suspensions, course failure in ELA or Math, and Level 1 on a statewide assessment.

1.20 Monitor identified students for course failures, concordant scores for ELA and Algebra 1, GPA, and advanced coursework.

1.36 Create procedures to ensure an equitable representation of African American learners in recognition ceremonies (e.g. including AP, IB and Industry Certification students).

Implementation Steps:
Dodgertown Elementary is a Kids at Hope school. As such, all students—including African American learners—are recognized quarterly, which includes an end-of year recognition ceremony.

Dodgertown Elementary will use the following implementation steps to create procedures to ensure equitable representation of African American learners in recognition ceremonies (e.g. including Principal's Honor Roll, "B" Honor Rolls, Subject Area Awards, MathLete recognition, etc.)

Implementation Steps:
1. Teachers will indicate ethnic/racial groups on the current award/recognition "tally sheets". 2. Teachers will make goals to improve baseline data and close gaps between African American learners and other subgroups.
3. The Leadership Team will review baseline data and support teachers with their goals to close gaps between African American learners and other subgroups.
