

SGMS – 1.17 School leadership teams will use the Florida Early Warning Indicators as displayed in Unify to develop and support interventions for African American students who are not on track to graduate. Data will include attendance below 90%, one or more suspensions, course failure in ELA or Math, and Level 1 on a statewide assessment.

- MTSS met on 5/4, 5/11, 5/18 May (virtually through Teams)
- Less than 10 African American students were discussed
  - Concerns were: edgenuity, online progress and one FBA
- Progress in online learning and course recovery (when appropriate) were discussed
- Less than 10 African American student is at risk of receiving an F for a 2<sup>nd</sup> semester grade
- A total of 37 - 8<sup>th</sup> graders need to complete Edgenuity (course recovery) to move on to high school. Of the 37, less than 10 students are African American
