

1.35 Schedule events to provide African American parents, guardians and students with information on advanced coursework, dual enrollment, graduation pathways, scholarship information and strategies for academic success (i.e. workshops, website, parent conferences, SAT and ACT information).

WE have created and hosted the College and Career Expo at the GYAC to address these issues

We had breakout sessions on graduation requirements, scholarships and financial aid, playing sports in college, figuring out what to do after high school.

We had tables set up with the Armed Forces, IRSC, TCTC and other resources.

This year, we attended the college fair at GYAC and a parent open house at The Boys and Girls Club.

The Fliers and programs for these events will be uploaded as well.

WE provide assistance with completing FASFA and local scholarships on conference nights.

Boys and Girls club brings their students over in the summer for additional support regarding these issues and scheduling.

Students are provided quarterly appointments that parents can attend in person or by phone.
