

**1.36- Sebastian River High School will honor our African-American students at the highest level of academic honors. There will be many opportunities during the school year to honor students that will include our African-American students.**

**Implementation Steps:**

- All awards ceremonies will be reviewed by the administrative team to ensure these awards are given equitably to African-American students who qualify for the award.
- We will provide monthly documentation through excel spreadsheet when these awards are given out and account for the number of African-American students who are recipients of these awards.
- African-American students will have pictures taken with the Principal or designee to post on social media outlets as evidence that these award recipients are honored before the public.
