

## **April 20-May 20 Citrus Elementary**

### **1.36 Create procedures to ensure an equitable representation of African American learners in recognition ceremonies**

Students were recognized by every Citrus classroom teacher (41 total), chose one student in his/her classroom that displayed the best effort for the month of April, during home virtual learning.

The weekly BEE Awesome Grams are given at most, one per class each week (70 total this month). The award nominees are submitted to principal who prints all the awards and are sent home to each recipient.

This number does not include the daily shouts done one the announcements each morning.

	Demographic % for School	Number Recognized	Percent
White	45 %	55/111	50%
