DATE: 6/12/20

## SUMMER PROGRAM FOR ENRICHMENT

Our summer enrichment program includes math, reading, and kindness. Students will have access to work for the upcoming school year to prepare themselves for the rigor necessary for success.

This includes Algebra and Geometry! Canvas course will be monitored by the Math Coach and Reading Coach, as well as Administrators so that questions and feedback can be answered in a timely fashion.

“Educate and inspire every student to be successful”
