Subject: The journey of a thousand miles must begin with a single step

here is my challenge for you

- I am attaching of rising seniors who do not yet have a point for acceleration, this means:
  - no AP test with a 3 or higher
  - no DE class with a C or better
  - no passing score on a CTE exam
- As we start scheduling, we need to focus on scheduling these students into an acceleration opportunity. (their Journey)
  - Look at adding them into student success
  - maybe a TCTC technical program
