Just a Reminder.

Principals, as we think about the potential of resuming normal school activities next school year, I wanted to take the opportunity to remind you of the current Out of School Suspension protocol, in which if you want to pursue an out of school suspension of any student, the Principal or Designee must have approval from the Principal Supervisor. Please make sure that when you do bring these requests to me, next school year, you have provided the information below.

Name of student  
Description of the incident  
ESE Status  
Number of total days suspended during the current school year  
Other students involved and their consequences  
Etc.

Thank you.
