

SGMS – 2.6 Complete and implement interventions outlined in school behavior plans to eliminate Out-of-School Suspensions.

- Teachers will develop and submit their Classroom Management Plans.
- Teachers must include Positive Behavior Interventions and Supports (PBIS) expectations in their Classroom Management Plans.
- Teachers will submit a copy of their Classroom Management Plans to Assistant Principal for approval.
- Teachers must implement their Classroom Management Plans as a manifestation of Tier 1 Behavior Expectations.
- Teachers will post **school-wide** Positive Behavior Interventions and Supports (PBIS) expectations.
- Teachers will post **classroom** Positive Behavior Interventions and Supports (PBIS) expectations.
- For students with persistent, undesired behaviors that do not respond to Tier 1 Behavior protocols, teachers will refer these students to the MTSS School-Based Team (SBT) for collective problem-solving and possible referral to Tier 2 Behavior Interventions.
- Teachers must implement the Tier 1 and Tier 2 Behavior Interventions with fidelity (monitor and adjust, as needed).
- Complete and implement interventions outlined in school behavior plans to eliminate **Out-of-School Suspensions (OSS)**.
