Good morning. I hope you all are doing well. Next school year we will be in need of a 6th grade math teacher and a 6/7 science teacher. I was hoping you could share this information with any students you have who may be graduating this school year. We are a small charter middle school (265 students in 6-7-8) with competitive salary and a great working environment.

If you have any students who would be interested please have them send me a letter of interest and a resume. William Dodds at 782 Wave St. Sebastian FL 32958.

Thank you very much for your assistance.
