Action Step # and Description: 1.5 SCHOOL IMPROVEMENT PLAM
(If more than one action step is evidenced here, please include all action step #'s and a brief description of each.)

Explanation of Evidence: During the Impact Review process, we were able to collect and analyze data that was specifically tied to our School Improvement goals.

Results of Action Taken: After the Impact Review process, we were able to formulate an action plan based on the data the was collected and analyzed.

Reflection: The action plan includes steps to increase our student's achievement and instructional strategies that are included in our School Improvement Plan. Through the action step process, we were able to identify areas of strengths and areas for improvement within Science, Reading, Math, and Civics. The next steps include collaborative planning, professional development and continuation of learning walks.
