

## Evidence of Progress Monitoring

School District of Indian River County  
#SDIRCStrongerTogether

**Date:** 10/9/2020

**School/Department:** Citrus Elementary

**Action Step # and Description:**  
(If more than one action step is evidenced here, please include all action step #'s and a brief description of each.)

Action Step 1.6 - Extended Learning Opportunities for Remediation and Enrichment

Ensure that the District provides African American students the opportunity to participate in extended learning opportunities for remediation and enrichment. These opportunities will be communicated to parents and guardians.

**Explanation of Evidence:**

Evidence of parent workshops, school site activities, etc.  
Documentation of expanded Extended Day Program offerings at each site by certified classroom teachers for daily enrichment or remediation support  
Utilize partnerships to offer scholarships to Moonshot tutoring at extended day for students in need at identified pilot sites.

**Results of Action Taken:**

GEER grant has been implemented for the last 2 months which targeted third grade students. Extended Day has begun offering ELO for student clubs and academic learning. The Learning Alliance (Moonshot) has begun and has targeted low performing students in grades. A2 Intervention Groups have been formed based on student's biggest barrier.

**Reflection:**

Student data will continue to be collected while these programs are running. Adjustments will be made in instruction if needed and/or students will be added based on need.
