

Evidence of Progress Monitoring

School District of Indian River County #SDIRCStrongerTogether

Date: 10/20/2020

School/Department: Beachland Elementary

Action Step

and Description:

(If more than one action step is evidenced here, please include all action step #'s and a brief description of each.)

Action Step 1.7 - Balancing Student Enrollment

An intentional focus on strengthening relationships with our African American families will continue this year. We will continue to communicate through ConnectEd calls, Facebook and Twitter. All information will be communicated on our school website. Enrolled at BES – 513 Students

African American - 17%	district=18%
------------------------	--------------

Hispanic – 22%	district=24%
----------------	--------------

White – 53%	district=52%
-------------	--------------

Other – 5.4%	district=6%
--------------	-------------

Asian – 2.1%	district = 1.6%
--------------	-----------------

Hawaiian/Pacific Islander - .20%	district = .20%
----------------------------------	-----------------

Explanation of Evidence:

District student Enrollment Plan with current school enrollment will be used when Survey 2 and 3 are completed, to show percentages of students at Beachland.

Results of Action Taken:

During the 2019-2020 school year, we had principal parent meetings in the community to increase communication and share about our school. In addition, we participated in the Annual Christmas Parade and won Best of Schools for 2019. We had an informational table set up at the Martin Luther King Parade at Gifford Youth Achievement Center in January 2020. In addition, we continue to share the latest happenings through videos, stories, and messages on our Facebook and Twitter accounts, including our school website.

Reflection:

Our goal is to continue to increase enrollment and offer an enriched curriculum to all our students. At this time, we do have a waiting list and have 514 students enrolled. Since we are at 97% capacity, we cannot move anyone off our waiting list.
