Action Step 1.7 - Balancing Student Enrollment
An intentional focus on strengthening relationships with our African American families will continue this year. The story of what is happening at Pelican Island Elementary will continue to be shared on Facebook and Twitter to help increase enrollment for our school. Currently the enrollment at PIE reflects:

PIE 22% African American   district=18%
PIE 15% Hispanic   district=24%
PIE 60% are White   district=52%
PIE 3% are Other   district=6%

Explanation of Evidence:

District student Enrollment Plan with current school enrollment will be used when Survey 2 and 3 are included, to show percentage of students at PIE

Results of Action Taken:

We will continue to monitor our enrollment throughout the year, as a Title One neighborhood school.

Reflection:

Our goal is to continue to look for a balanced student enrollment and attract all students to our campus.
