

African American Achievement Plan Evidence of Progress Monitoring

School District of Indian River County
#SDIRCStrongerTogether

Date: 10/20/2020

School/Department: Storm Grove Middle

**Action Step
(number and
description):**

1.7 Balancing Student Enrollment:

Create and implement a plan to increase balance in student enrollment by race at each school to ensure African American students assigned to individual schools are consistent with the percentage of African American students represented in the District, within a range of plus or minus nine percentage points.

**Evidence of Progress
Monitoring
(Please include
narrative/description
of the action taken.
Where applicable,
please include all
measurable data.)**

Storm Grove has completed their school choice video for the virtual school choice fair. Each school was given an opportunity to highlight their school choice offerings by submitting content to the Director of Instructional Innovation through showcasing "who we are" "what we offer" and "points of pride." This is now being formatted into a school choice booklet that will give parents easily accessible information to make decisions for school choice. Working in collaboration with the public information office, each school was given an additional structure to highlight their school choice offerings through a video presentation. Attached is the school choice tentative brochure that was designed to create a streamlined and accessible approach to parents. It will be available in Spanish and English and will include a direct live link and QR code to the school choice video, once they are all uploaded.

**Results of Action
Taken:**

Our video will be played to promote STEAM and encourage students to fill out school choice paperwork to attend Storm Grove

Reflection:

We are hoping to highlight the school opportunity by utilizing a common framework so parents can make decisions of the school choice options, making it easy for parents to choose the school that best fits their child's needs.
