Parent/Family School Choice

Feedback

The School District of Indian River County is actively engaging in continuous improvement efforts to improve school choice options and programming for students district wide. Given that you have selected to enroll your child(ren) in a school other than their home zoned school, we would like your feedback on the factors and reasons for enrolling your child(ren) in a school other than their home zoned school. Your feedback and this information will assist the District in further expanding and improving school choice options for families and students. Please complete a survey for each of your children for whom you have selected to enroll in a school based upon school choice options.
