

Evidence of Progress Monitoring

School District of Indian River County
#SDIRCStrongerTogether

Date: 10/9/2020

School/Department: Pelican Island Elementary

Action Step # Action Step 1.12 - Student Progress Monitoring

and Description:

(If more than one action step is evidenced here, please include all action step #'s and a brief description of each.)

Create data review sessions with school principals to review subgroup data, which includes a discussion on the progress monitoring of African American students. Plans of action will be implemented after each session.

Explanation of Evidence:

School-level, grade-level/content area data chats and agenda for I-Ready and Unit 1 assessments have occurred with each grade level

Results of Action Taken:

All teachers have met with academic coaches to review the data and create next steps during half-day collaborative planning sessions the week of September 28. On the next pages there is a sample of the RtI groupings that were created based on these data chats and collaborative planning sessions. These chats will occur after each diagnostic, unit assessment, or quarterly assessment. A plan of action for remediation, reteaching, enrichment, etc., will be created after each chat.

Reflection:

It is our goal that once we reflected upon where we were in comparison to other schools, these next steps will be reflected upon and evidenced in an increase in scores, moving forward.

3-5 Grouping - Fall 2020/2021

Good afternoon!

We have finalized our RTI groups for grades 3-5. Attached you will find the spreadsheet that includes which students you are assigned to and the curriculum that you will be teaching. Be sure to navigate through the tabs at the bottom of the page to see the different grades. I will be delivering all curriculum throughout this afternoon.

We will be starting RTI on Monday, October 5. We realize that this is a QUICK turnaround, so we are encouraging you to spend Monday going over the rules/expectations of your groups along with some community building exercises. This will give you some time to study the curriculum and prepare any necessary materials.

RTI will be school-wide and will begin at 9:00-9:30.

Mrs. Evans: You will have 3rd Graders
Mrs. Ganger: You will have 4th Graders
Mrs. Fornabice: You will have 5th Graders
Mrs. Lacey: You will have 5th Graders

Mrs. Muth: due to the need for phonics with our 4th graders, you will have a couple of 4th graders joining your group, so be sure to check the 4th grade tab.

If you have any questions, please reach out.
