School District of Indian River County
#SDIRCStrongerTogether

Date: 10/9/2020

School/Department: Treasure Coast Elementary

**Action Step #
and Description:**
(If more than one action step is evidenced here, please include all action step #'s and a brief description of each.)

1.12 Data Chats for Improved Learning

Explanation of Evidence:

Agenda: This document details Tier 2 data meetings for each grade level. Selected Screenshots: The screen shots are two examples of grade level intervention groups.. Additional Screenshot shows Treasure Coast Elementary principal as 2nd highest user of PowerBI in district.

Results of Action Taken:

Students were identified using multiple sources of data. This data was used to form class placement of students in order to have students who need specific interventions are grouped together. Additionally, this data was used to inform teachers of their students' data, by subgroups.

Reflection:

As a result of this data meeting, school leadership and teacher are aware of students' current data. Additionally, Brian McMahon came to Treasure Coast Elementary on October 2nd to train school leadership in use of PowerBI.
