

African American Achievement Plan Evidence of Progress Monitoring

School District of Indian River County
#SDIRCStrongerTogether

Date: 9/12/2020

School/Department: Osceola Magnet

**Action Step
(number and
description):** 1.13 Provide support to teachers and administrators on the use of real-time data specific to African American students to have effective data chats and plan targeted support for improved learning.

**Evidence of Progress Monitoring
(Please include
narrative/description
of the action taken.
Where applicable,
please include all
measurable data.)** 8/4/20 The Leadership Team as well Grade Chairs reviewed the schools previous years data to indemnify areas of concern and room for growth. This data was used in the creation of the schools SIP. As a result of reviewing the data it was noticed that Black students are performing significantly below our school averages. In turn the SIP was crafted to focus on Culture/Climate, Math, and Science for the subgroup of AA Students. On 9/10/20 the leadership team had a data chat on AA students as related to the recent Dibles data and used this data to begin driving the creation of Targeted Small Group instruction.

**Results of Action
Taken:** Our first data chat will occur on 9/17 when I-Ready Reading diagnostics are complete. Data cards for each teacher are due to administration on the time and date of the meeting. This meeting will also use Dibles Data for K-2 has already been reviewed on 9/10/20 to create groups and will also be used in conjunction with iReady Reading Diagnostic Data for the 9/17 data chat. Upon completion of the Math iReady Diagnostic we will hold an additional Data Chat meeting for Math.

Reflection: Data will be continually be a reoccurring input tool for monitoring student learning.

SIP Data Reflection

8/4/20

- 
1. Celebrate areas of success
 2. Discuss the importance of reflecting on years past data trends
 - a. Data Trends
 - b. Leading Indicators
 - c. Normed Reference Groups
 3. Identify key growth segments
 - a. Subgroups performing below district average
 - i. Create Goal Focused on subgroup
 - b. Subgroups performing below state average of “Like Schools”
 - i. Create Goal Focused on subgroup
 4. Craft the Schools Mission together
 5. Craft the Schools Vision together

Dibles/FLKRS Data Reflection

8/4/20

- 
1. Review the students that have been successfully Dibled
 - a. Create a list of who still needs to be completed
 - b. Create a administration schedule for remaining students.
 2. Review the students that have completed FLKRS
 - a. Create a list of who still needs to be completed
 - b. Create a administration schedule for remaining students.
 - c. Ensure that Technology is available to complete the assessment within the given window.
 3. Review any correlating trends between the two programs
 - a. Use trends to create like groups
 - b. Allocate appropriate resources needed to close the gaps
 4. Identify students in the groups that are also receiving ESE support services.
