School/Department: ~~SDIR~~ in item.

Action Step #
and Description: 1.13

(If more than one action
step is evidenced here,
please include all action
step #'s and a brief
description of each.)

Explanation of
Evidence:

Our language arts and math department teams have reviewed the NWEA data to determine class changes to meet student needs. They are currently personalizing instruction for students through the pathways NWEA provides using Study Island and Khan Academy. This provides an opportunity for students to work at their own level.

Results of Action
Taken:

Students take ownership of their learning by setting goals based upon their personal data.

Reflection:

The use of the NWEA data and helping students understand the information from their data is essential to their growth as a learner.
