**Date:** 10/19/2020

**School/Department:** Sebastian River Middle

**Action Step #**  
**and Description:** 1.14 African American Student Council  
(If more than one action step is evidenced here, please include all action step #'s and a brief description of each.)

**Explanation of Evidence:** Attached is the agenda from our October 16 African American Student Advisory Council, and the Mentoring handout given to students. The Council met to discuss clubs and committees, as well as opportunities for mentoring.

**Results of Action Taken:** We will be rolling out our new electronic PBIS (Positive Behavior Intervention and Support) program 'PBIS Rewards' in November to reward students who are "doing the right thing" at school. We also let students know that they can take advantage of open gym opportunities and upcoming basketball tryouts the first week of November. Mrs. Taglione, School Counselor, spoke about the Mentoring Program, and encouraged any students interested in getting involved to contact her.

**Reflection:** Our students are anxious to begin our after-school clubs and activities. Many are not aware of the ways they can be involved at this time, so we need to do a better job of advertising what we currently have available.
