

Evidence of Progress Monitoring
School District of Indian River County
#SDIRCStrongerTogether

Date: 9/21/2020

School/Department: Fellsmere Elementary

**Action Step #
and Description:**

**(If more than one action
step is evidenced here,
please include all action
step #'s and a brief
description of each.)**

1.2 School counselors will implement universal screening for gifted identification for all students prior to 4th grade across all District elementary schools utilizing procedures outlined in the state-approved District plan for increasing underrepresented populations in gifted. Our FES School counselor will create a schedule to assess ALL African Students using KBIT screener. Screener results will be discussed with MTSS Team if needed, further evaluation will be done by the school psychologist.

**Explanation of
Evidence:**

Using schedule, our counselor will be working to do KBIT screeners on all African American students in Kindergarten through 3rd grade. Request for assistance will also be filled out as needed by the classroom teacher for this universal screener. We will look at students who have already had a DNQ for Gifted Screeners. We are initially working with the students that are in option 1.

**Results of Action
Taken:**

Using the data, our MTSS team will be able to schedule students that are in need of further evaluation.

See attachment.....I will begin testing on the 29th of September. I called Michelle to see if I need to send a letter home. I don't think I do, but I just wanted to get her opinion. If there is no letter to be sent home I will begin tomorrow, but for scheduling purposes I put down next week. Regardless, it will be done by next Wednesday if no one is absent!

Thanks, 😊
