

Evidence of Progress Monitoring
School District of Indian River County
#SDIRCStrongerTogether

Date: 10/20/2020

School/Department: Alternative Center for Education

**Action Step #
and Description:**

(If more than one action
step is evidenced here,
please include all action
step #'s and a brief
description of each.)

1.29_ACE_ Advanced Coursework Information Events - Dr. Long & High Schools _102020

**Explanation of
Evidence:**

Students and parents are made aware of advanced coursework offerings during scheduled family nights that occur monthly. Students and parents are provided with all relevant information to assist them with sign up. Additionally, all African American students meet regularly with the academic advisor to discuss placement in advanced courses and testing for college readiness. Parents are notified with each meeting.

**Results of Action
Taken:**

We have been able to enroll four African American students in advanced courses this year. One of our seniors is working towards registering for the SAT or ACT.

Reflection:

African American students will continue to be encouraged to enroll in advanced coursework when they meet with the academic advisor and during family night.
