step is evidenced here,
please include all action
step #'s and a brief
description of each.)

1.38 _ACE_ School Level Data Chat Regression Review - All Schools_102320

**Explanation of
Evidence:**

Principal Brown led the School Leadership Data and focused on the African-American student progress on the unit assessment 2 for ELA, Algebra, US History and Biology. We were able to target the areas of strengths and weaknesses and was able to address each student's behavior and academic needs on their Academic Improvement Plans.

**Results of Action
Taken:**

The results of this action taken will benefit all African-American students who are on an Academic Improvement Plan.

Reflection:

The School Leadership Team will continue to monitor all data as it relates to the overall progress of our African-American students on a monthly cycle.
