The documentation attached is the Weekly School Messenger which is used to notify all parents and students of upcoming events to include testing sign up/testing dates/ testing requirements. Our Weekly school messenger calls to our families ensure that all students and their families have the latest information necessary to be successful in all areas. We have also attached the announcement on the SRHS testing page on our website regarding SAT/PSAT school day testing and the FOCUS announcement. We have also included a screenshot of our daily morning announcements that are read over the PA and posted to our school website daily. Finally, attached is a picture of poster hanging around campus regarding SAT administration dates that are available on weekends.

**Results of Action
Taken:**

As a result, parent and students stay connected with the most up to date information related to testing dates, sign-up, and requirements. Also, the list allows us the ability to keep track of our students progress toward begin college ready.

Reflection:

We will continue to send school messengers weekly to notify our families of upcoming events, testing, and other information. Additionally, we will continue to update our testing page on the website as well as add information to the FOCUS announcements and morning announcements. We will also continue to meet with our guidance department weekly to ensure our African American Students are on track with college readiness testing here at SRHS.
