

African American Achievement Plan Evidence of Progress Monitoring

School District of Indian River County
#SDIRCStrongerTogether

Date: 9/21/2020

School/Department: Vero Beach High School

Action Step (number and description): Monitor procedures to ensure equitable access for African American students to on-site, college readiness testing in every high school (PSAT, ACT, SAT, PERT).

Evidence of Progress Monitoring (Please include narrative/description of the action taken. Where applicable, please include all measurable data.) 10/20/20 There are currently 38 Option 1 seniors that need a math concordant score. The PERT test will be administered on Tuesday 1/20 after a 1 hour bootcamp session. Personal invitations were sent to all 38 students. 9/21/20 SAT School Day will be given at Vero Beach High School on October 14th, 2020. This test is for Seniors only that have not met their FSA and/or math requirement for graduation. Students will be notified about the test through their FOCUS messenger, and SDIRC email. This will ensure that students on Options 2 and 3 have the opportunity to come on campus to test. Parents will also receive notification on the parent FOCUS. VBHS will also post testing information on the VBHS website, under "Students and Families" tab, then "Testing Information" VBHS also communicates via phone message to parents.

Results of Action Taken: Using FOCUS and EMAIL, students who are on option 2 and 3 will be able to register online to test, providing access to all students.

Reflection: The process for online registration using email and FOCUS was tested during the FSA RETAKE window Sept 14 – Oct. 21. Students enrolled in options 2 and 3 were able to register online and come on campus to test. The communication was successful and achieved the desired result of providing access to testing for all students.

Tuesday, October 20th at the beginning of 2nd period, we are offering a PERT Prep Math Session in Room 1-213.

Please plan on attending.

The PERT Test will be given right after the prep session.

****You need a passing score of 97 on the PERT Math for graduation.**
