

African American Achievement Plan Evidence of Progress Monitoring

School District of Indian River County
#SDIRCStrongerTogether

Date: 10/20/2020

School/Department: Beachland Elementary

**Action Step
(number and
description):** 2.5 Out of School Suspensions
Monitor that all Out-of-School Suspensions are approved by principal supervisors.

**Evidence of Progress
Monitoring
(Please include
narrative/description
of the action taken.
Where applicable,
please include all
measurable data.)** Report with documentation of approval in FOCUS by the principal's supervisor prior to assignment to OSS

**Results of Action
Taken:** Principal trained faculty how to access new Code of Conduct, enter office discipline referrals, and how to document minor infractions to show progressive discipline. Time was spent discussing Tier I interventions. Positive behavior intervention support (PBIS) met on Thursday, September 18th to review data from August 12, 2019 – March 13, 2020. The team reviewed office discipline referrals (ODRs) in all locations and noticed the majority of ODRs occurred in the classroom. Out of school suspensions were also a result of some behaviors in the classroom. Administration and school leadership team focused on Tier I behavior plans for all students. School wide expectations are posted following – WAVE – warm-hearted, active and attentive, vigilant, and enthusiastic for learning. All students, teachers and staff have been trained on WAVE expectations and made class expectations to understand each expectation. PBIS monthly meetings support different ways to celebrate students for following school-wide expectations and to ensure expectations are practiced and noticed with individual student surf and class waves for “riding together.”

Reflection: In addition to previous work in the first nine weeks, there have been no office discipline referrals resulting in an out of school suspension. Students follow our WAVE expectations and have been celebrated for their efforts through individual rewards, class rewards, and Positive Behavior Intervention Support (PBIS) rewards. Student surf can be used to purchase school items from the school store on Fridays, participate in monthly dress down days, like Hat Day on September 29th. The first PBIS celebration was on October 9th where students without an office discipline referral were treated to music and snow cones at recess.

MARK YOUR CALENDAR

Dear Beachland Families,

Parent conferences will be held during the month of October. You will have the option of meeting with your child's teacher before or after school, over the phone, or on TEAMS. We want to ensure your comfort level and understand the meeting may need to be virtual or over the phone. We are here to accommodate your needs.

As we prepare to welcome back more students, I appreciate your patience as we determine scheduling and placements. There will be a ConnectEd call later this week, in addition, to our weekly Sunday call, about upcoming plans for the return of some of our students from transitional and virtual options.

Just a friendly reminder, as students begin to wear jackets, sweaters, and sweatshirts to school, please write your child's name in the clothing item. This will help find the proper owner when the clothing item is left in different places on campus.

Wishing you a FIN-tastic week,

An Active Student, An Active Family Member...

Here are five of our eight maps to help get you started...

Circle Map  FOR DEFINING	Tree Map  FOR CLASSIFYING	Bubble Map  FOR DESCRIBING	Double Bubble Map  FOR COMPARING
Flow Map  FOR SEQUENCING	Multi-Flow Map  FOR CAUSE AND EFFECT	Brace Map  WHOLE TO PARTS	Bridge Map  FOR ANALOGIES

1. Circle Map - Define what it means to be an active Beachland shark.
2. Tree Map - Classify how you are active at school, at home, and in our community.
3. Bubble Map - Describe why it is important to be active using adjectives.
4. Double Bubble Map - Compare and contrast an active student and an inactive student. How are they the same? How are they different?
5. Flow Map - Staying physically active is great for your body and promotes healthy habits. Create a sequence of activities you can do when you get home from school to be active.
