| School/Department:   | Citrus Elementary  |
| Action Step<br>(number and<br>description):  | 2.10 In School Suspension District will work with schools to conduct a review of In-School Suspension programs and support school's development of actions to improve outcomes.  |
| Evidence of Progress<br>Monitoring<br>(Please include<br>narrative/description<br>of the action taken.<br>Where applicable,<br>please include all<br>measurable data.) | PD Training Rosters and Materials from Restorative Practices<br>At Citrus Elementary we don't utilize in school suspensions. We use detentions during<br>lunch, recess, or after school as needed.   |
| Results of Action<br>Taken:  | Currently, there are no suspensions nor ODR's for Citrus Elementary.   |
| Reflection:  | We will continue to work on strategies learned from our school wide focus last year during our PD's of Trauma<br>Informed Care, working with children who have adverse childhood experiences, and learn how to deal with<br>problems through talking. This is the goal of the restorative practices PD. We will monitor ODRs to see if this has<br>helped. |
