

African American Achievement Plan Evidence of Progress Monitoring

School District of Indian River County
#SDIRCStrongerTogether

Date: 11/16/2020

School/Department: Glendale Elementary

**Action Step
(number and
description):** 2.9 Student Peer Mentorship

**Evidence of Progress
Monitoring
(Please include
narrative/description
of the action taken.
Where applicable,
please include all
measurable data.)**

No change to the STARS program yet due to an increase in COVID 19 cases in the county. We currently have our STAR program on hold due to COVID-19. The STAR program is a group of students from Vero Beach High School who come back and mentor our African American Students during the school year. The program started last year and will continue when guidelines change.

**Results of Action
Taken:**

No change since October except for one peer mentor team set up between a teacher and student in the 4th grade. The teacher will be meeting with the student once per week to help support and guide him during the 2020-2021 school year.

Reflection:

We will continue to monitor the program and are looking at doing a virtual mentorship in the future if we don't see a change in COVID 19 cases.
