measurable data.)**

After careful research and organization, we are ready to kick off our Peer to Peer mentoring program at OMS. OMS Peer Mentor training will begin Tuesday, October 14th and will run Tuesdays and Thursdays through October 22nd (4 sessions). Mentors will be paired with mentees after successful completion of the training and students will be added to both groups (mentor/mentee) as more kids return to campus.

**Results of Action  
Taken:**

As a result of our Peer Mentoring program, we expect climate and culture at Oslo to be positively impacted. We expect to find a decrease in discipline concerns and an increase in student responsibility, proactiveness, and relationship building by building leadership in some students while building support around others.

**Reflection:** (Start date Oct 14)
