<b>Explanation of Evidence:</b>	Quarterly monitoring of implementation of school action plans Review of In-school suspension programs during impact reviews
<b>Results of Action Taken:</b>	Currently, there are no suspensions for Pelican Island Elementary. We will continue to work on strategies learned from our school wide focus last year during our PD's of Trauma Informed Care, Engaging Students with Poverty in Mind, along with our PD this year on Culturally Responsive Teaching and the Brain. We will monitor ODRs to see if this has helped. ** no new updates regarding in-school suspensions since submission in October
<b>Reflection:</b>	PBIS monthly meetings continue to monitor our progress. We are currently rewarding our students for the positive choices they are making with monthly PBIS celebrations and in-class menus where students can cash in their Class Dojo points.
