

Evidence of Progress Monitoring
School District of Indian River County
#SDIRCStrongerTogether

Date: 11/18/2020

School/Department: Sebastian River Middle

Action Step # and Description: 2.10 In-School Suspension
(If more than one action step is evidenced here, please include all action step #'s and a brief description of each.)

Explanation of Evidence: Evidence includes a screen shot from Power Bi of our In-School Suspension data for the month of November to date.

Results of Action Taken: Two students have been suspended in November, for fighting.

Reflection: As stated previously, we feel strongly that the work of our Student Success Coach and the many interventions he has been assisting teachers with as well as the relationships he is building with students, and the strong connections the counselors and teachers build foster positive bonds with students and staff. It has been our intention since we opened in August, not to punish students for their misbehavior, but to help them instead learn from their actions, and to make better choices. We issue in-school suspensions for only serious infractions. The majority of behavior incidents are treated as learning and relationship building and rebuilding opportunities.

SRMS In-School Suspension
