measurable data.)**

Black or African American students in need of a student peer mentor have been identified through a review of data including discipline, academic and attendance. We have identified 14 students as needing a mentor. At this time due to Covid 19 and close proximity guidelines students have not been paired with a mentor.

**Results of Action  
Taken:** Once guideline for proximity are lifted students will be paired with a mentor.

**Reflection:** Once the program is implemented we will monitor the mentees academics, discipline and attendance data to determine the success of the program
