## Peer Mentor Meeting

Friday, November 13, 2020

Meeting began at 9:30 with an overview of the mentor/mentee expectations. Mentors were asked if they wanted to be paired up with their same grade level or mixed grade levels. Most mentors preferred mixed grade levels. They were asked when they would like to meet with their mentee. Eight preferred to be pulled out of their elective classes and three preferred to meet on Tuesday's afterschool. Mentors were excited about being paired with mentees based on their academic strengths and/or interests. Mentors would be given one mentee to meet with. Meeting adjourned at 9:45.
