**Date:** 11/18/2020

**School/Department:** Treasure Coast Elementary

**Action Step #**  
**and Description:** 2.10 In-School Suspensions  
(If more than one action step is evidenced here, please include all action step #'s and a brief description of each.)

**Explanation of Evidence:** Attachment: Procedures with specific steps for all suspensions at Treasure Coast Elementary for the 2020-2021 school year.

**Results of Action Taken:** As of 11/16/20, no students have received an in-school suspension.

**Reflection:** The school leadership team is dedicated to ensuring that suspensions are a discipline only of last resort and that interventions (schoolwide, classroom, and individual) will be put into place to eliminate or decrease suspensions as a discipline. Additionally, all students that receive an in-school suspension will be provided with acceptable classwork that be completed in the front office, allowing the student to continue in the learning process outside the regular classroom.

## Out-of-School Suspensions Procedures

### Treasure Coast Elementary

- All suspensions (in-school and out-of-school) will be monitored by the school principal, assistant principal, and multi-cultural coordinator to ensure that suspensions are equitable across all subgroups.
- Any students that receive a suspension will be discussed by the school leadership and school counselor to determine if current interventions are sufficient and/or if additional interventions can be put into place.
- All out-of-school suspensions will be approved in FOCUS by the principal's district supervisor prior to assignment of suspension.
