

Evidence of Progress Monitoring
School District of Indian River County
#SDIRCStrongerTogether

Date: 9/30/2020

School/Department: Strategic Planning & Support Services

Action Step #
and Description: 3.2
(If more than one action step is evidenced here, please include all action step #'s and a brief description of each.)

Explanation of Evidence: The Program Specialist for Cultural Responsiveness provided a training via Microsoft Teams to ESE Resource Specialists on the following topics:• Implicit bias• Earned and unearned privilege• Cultural responsiveness• Culturally responsive practices• Culturally Responsive Strategies Crosswalk• Disproportionate Disciplinary practices in Black/ESE students• Overidentification of ESE eligibility in marginalized students• Root Cause Analysis. Resource Specialists were asked to identify Black students in their schools that have been identified with an SLD prior to the training and have the list present during the PD. A pre and post-test were completed. Professional development was held on June 2nd.

Results of Action Taken: The RS's were very receptive to the PD. They completed a pre and post- test. Test results showed mastery of the content.

Reflection: It is hypothesized that with an increase in training, the knowledge of our staff will increase. Ultimately, the implementation of CR instructional practices and strategies within the classroom settings will strengthen significantly.
