Action Step #

and Description:

(If more than one action step is evidenced here, please include all action step #'s and a brief description of each.)

4.31 Identify support staff to transition to teaching. Provide support and assistance to become certified instructional staff

Explanation of Evidence:

FES will continue to initiative conversations with support staff who are inclined to transition into a teaching career. FES will guide them locally with opportunities to observe the reality of teaching and provide district guidance when appropriate.

Results of Action Taken:

After conversations and experiences are provided, FES hopes to inspire a few support staff to enter teaching as a career.

Reflection:

If FES touches one support staff to become a full-time teacher, it will be a powerful satisfaction to be part of that movement.
