School/Department: Treasure Coast Elementary

**Action Step #
and Description:**
(If more than one action
step is evidenced here,
please include all action
step #'s and a brief
description of each.)

4.31 Identify support staff to transition to teaching. Provide support and assistance to become certified instructional staff.

**Explanation of
Evidence:**

The number of teachers identified and the number and percent of identified teachers becoming certified will be provided as evidence.

**Results of Action
Taken:**

Support staff will be surveyed during the school year (Fall, Winter, Spring) regarding interest in transition to teaching. Support staff that are considering transition to teaching will be given support and assistance to move towards certification.

Reflection:

It is important for administrators to promote the growth and development of all staff. Encouraging support staff to become certified instructional staff leads to overall school improvement, which helps to increase student achievement.
