Overview

Florida offers a number of traditional and alternative educator preparation routes that lead to full Professional certification. Some routes are direct pathways to the Professional Certificate. For other routes, the individual first teaches under a Temporary Certificate and then moves to the Professional Certificate.

This webpage includes information on Florida's:

- Educator Preparation Routes
- Direct Pathways to a Professional Certificate
- Pathways to a Temporary Certificate
- Pathways to Upgrade from a Temporary to a Professional Certificate

Educator Preparation Routes

The [Routes to a Florida Professional Certificate Chart \(PDF\)](#) shows all of the educator preparation options, traditional and alternative, leading to the full Professional Certificate. The chart is separated into three distinct route types - teacher preparation programs, certificate reciprocity, and other alternative routes. It also includes details for each preparation option with links to websites that provide additional information on each route.
