**Citrus Elementary** 

## African American Achievement Plan

2020-2021

6500 57<sup>th</sup> St Vero Beach, FL 32967 772-564-3000

Updated as of September 1, 2020

## Citrus Elementary School

## Barriers

This document identifies barriers to the academic progress and equitable discipline and assignment to special programs for African American students and identifies goals to determine whether improvements in these areas are realized when compared to White students in the District. Additionally, strategies/action steps to address the identified barriers and achieve the intended goals are explicitly outlined in this document.

The barriers addressed in this plan include:

1. Lack of instructional staff mirroring the demographics of the student population
2. Need for comprehensive training and accountability for applied practice in culturally responsive instructional strategies
3. High Impact teachers are not strategically placed at low performing schools
4. Need for an explicit action plan to drive change to improve equitable instructional and disciplinary practices districtwide
5. Need for data-driven allocation of school-based resources
6. Need for increased access and support to enroll students in advanced coursework
7. Need for increased consistency in the quality and implementation of Tier 1 behavioral supports
8. Need for increased skills in cultural competency to foster positive relationship building between educators and students
9. Need for increased awareness of implicit bias and impact on behavioral dynamics and interactions
10. Need for increased culturally relevant instructional practices in Tier 1 instructional frameworks
11. Need for consistent accountability related to strategic actions and supports for the achievement of African American students
12. Need for additional academic support for African American students to achieve mastery

13. High cost of living

During collaborative planning, our instructional coaches work with teachers to ensure African American History teachings are embedded in our K-5 lesson plans.		

Barrier(s)	Action Step	*Evidence of Progress Monitoring	Dates of Review(s)	Responsible Staff/ Department	Aligned with the District's Strategic Plan
12	1.4 Monitor elementary school principals to ensure that African American students who are not kindergarten ready per the Florida Kindergarten Readiness Screener (FLKRS), or who show a substantial deficiency in reading in grades K-2 per i-Ready, targeted reading intervention as defined by the district reading plan.	Number and percentage of qualified students receiving targeted reading interventions Principals conduct data chats and create	1 <sup>st</sup> of Every Month 1 <sup>st</sup> of Every Other Month	Richard Myhre, Assistant Superintendent of Curriculum & Instruction; Kelly Baysura, Director of Academic Success; Principals	
	Implementation Steps: Beginning in August, data from FLKRs (for K), classroom assessments and i-Ready will be analyzed. Those needing intensive reading intervention are given interventions as needed. When needed, referrals for problem solving with the MTSS team take place to analyze progress and the biggest barrier to create an intervention that is progress monitored. When a Tier 2 or Tier 3 intervention is created, it will be progress monitored and then data is reviewed to discuss progress.	school- based action plans which includes adjustments to instructional support based on student progress Quarterly i-Ready reports of progress of African American students' growth in K-2	October 16, 2020 January 21, 2021 March 12, 2021		Academic Success
	We will look at K-3, and disaggregate data of students show substantial deficits in reading based on these measures: AA= W= H= O= Intensive Interventions include: double dose of letters/sounds/phonological				

awareness/phonics activities, using	
comprehensive program LLI,	
Students will work with either classroom teacher,	
interventionist, ELL assistant for LY students	
and/or working with ESE resource teacher if a	
child has an IEP and goals are not being met.	
Interventions will use research- and evidence-	
based strategies utilizing the classroom	
teacher and the reading interventionist for	
tiered instruction focusing on letters, sounds,	
phonological awareness, phonics,	
orthographic mapping, vocabulary, and	
fluency, and/or working with an ESE teacher	
through support facilitation, resource room,	
or self-contained setting depending on the	
student's IEP.	

Barrier(s)	Action Step	*Evidence of Progress Monitoring	Dates of Review(s)	Responsible Staff/ Department	Aligned with the District's Strategic Plan
	<ul> <li>1.5 A. Ensure that School Improvement Plans for all schools specifically address how school resources are being allocated to address achievement gaps for African American students.</li> <li>B. Provide ongoing monitoring and support of each school's implementation of the School Improvement Plans.</li> </ul>	Peer Reviews of School Improvement Plans with principals Approved School Improvement Plans detailing resource allocations	October 31, 2020 October 31, 2020 October 16, 2020	Scott Bass, Deputy Superintendent; Richard Myhre, Assistant Superintendent of Curriculum & Instruction; Kelly Baysura, Director of Academic Success; Principals	
11	<ul> <li>Implementation Steps:</li> <li><u>SIP GOAL 1</u>: Using ELA data to drive instruction, the core instruction program is aligned to FL ELA standards through weekly grade level meetings, PD, monthly data meetings, and quarterly collaborative ELA planning. ELA Pacing guides are utilized to align standards- based instruction, reteach and fidelity of reading instruction. The weekly meetings with coaches present will have a focus on Accountable Talk opportunities in the weekly lesson plans and differentiation for centers for the first half of the year, and small group and centers for the second half of the year, based on formative assessments.</li> <li><u>SIP GOAL 2:</u> Using Math data to drive instruction, the core instruction program is aligned to FL Math standards through weekly grade level meetings, PD, monthly data meetings, and quarterly collaborative planning. Math pacing</li> </ul>	Quarterly reviews of the School Improvement Plan Quarterly impact review action plan Comprehensive data reviews to Cabinet and requested support for progress needed	January 21, 2021 March 12, 2021 October 16, 2020 January 21, 2021 March 12, 2021 October 16, 2020 January 21, 2021 March 12, 2021		Academic Success

guides are utilized to align standards-based			
instruction, reteach and fidelity of instruction.			
The weekly meetings with coaches present will have a focus on Accountable Talk			
opportunities in the weekly lesson plans and			
differentiation for centers for the first half of			
the year, and small group and centers for the			
second half of the year, based on formative			
assessments.			
1. Data meeting after each unit test or diagnostic			
to drive differentiated instruction (Datnow &			
Hubbard, 2015; Ebbeler, Poortman,			
Schildkamp, & Pieters, 2016; Wilhem, 2011).			
2. Professional development, with a focus on			
differentiation and accountable talk (Akiba &			
Liang, 2016; Penuel et al, 2007; Sarama,			
Clements, Wolfe, & Spitler, 2016; Tomlinson,			
2003).			
3. Coaching cycle with all teachers, using			
academic coaches in Math and ELA (Knight,			
2011).			
4. Weekly standards planning with academic			
coaches (Knight, 2011).			
5. Quarterly 4-hour collaborative planning			
(focusing on differentiation and accountable			
talk) with the teachers and coaches to bridge			
the gap and try to help each student find			
success, with success not being defined the			
same for each child.			
6. Students receive individual conferences and are			
held accountable for academic growth and			
achievement throughout the year (Hattie,			
2009).			
/			

<u>SIP GOAL 3</u> : Multiple studies have shown that a positive school culture and climate impact student achievement (Fitzgerald, Geraci, & Swanson, 2014: Kocyigit, 2017; MacNeil, Prater, & Busch, 2009; Raappana, 2014).		
Recent 2019-2020 student referrals (March 11) decreased from 72-67, which suggests an upward trend, however far above our goal of 60 ODR's per year.		
Moreover, attendance is utilized as a measure of how positive culture is impacting our student growth. Recent attendance data (March 11) shows a decrease of attendance at 93.38% from 95% in 2019-2020. As COVID subsides, attendance will be used the second semester as a measure (with 95% goal).		
Action Steps:		
1. Weekly newsletter for staff with shout outs and positive quotes (Fitzgerald, Geraci, &		
Swanson, 2014; Raappana, 2014). 2. Weekly calls home to parents for Bee Awesome Grams (Fitzgerald, Geraci, & Swanson, 2014; Raappana, 2014).		
<ul><li>3. Class Dojo for students and Bee Bucks for staff</li><li>given to be used at a student PBS store (or for</li></ul>		
other rewards like Principal for the Day) and		
for the staff raffle (Fitzgerald, Geraci, & Swanson, 2014; Raappana, 2014).		
4. Positive Reinforcement for students (Lunch in		
the Courtyard, celebrations for efforts in		

school, etc.) (Fitzgerald, Geraci, & Swanson,		
2014; Raappana, 2014).		
5. Mentoring students, using 40+ staff members,		
to increase attendance.		
6. PBIS monthly committee. Positive Behavior		
Intervention System is used school wide and		
we have monthly meetings to discuss the data		
related to decrease in referrals, attendance,		
positive rewards, and consequences that the		
whole school buys into. This research-based		
program has shown a decrease in out number		
of referrals over the past two years, and this		
past year we have become eligible to be a		
silver level PBIS Model school.		
7. Beginning of the year rules and procedures		
review using PBS expectations in a video		
reviewing the 4 B's (be safe, respectful,		
responsible and kind).		
SIP GOAL 4: School of Community Citizenship		
Community and parental involvement have		
been shown to support student achievement		
in all students, and more specifically on		
diverse population of students including		
students with exceptionalities and low		
socioeconomic status (Haines et al, 2015). To		
increase family engagement, and therefore		
student growth, multiple strategies and		
actions will be implemented at our school.		
As COVID subsides, partnerships will be		
established with various community outreach		
programs and grade-level based service		
projects. Interdisciplinary, intergrade		
community clubs including service learning		
will be implemented to build empathy and		

	cooperation amongst our students (Warren,		
	2012). A student government and student		
	mentor program will be established.		
	tion Steps:		
1.	Develop community outreach projects once a		
	semester, with organizations such as: Hope		
	for Families, and other charitable		
	organizations (Nai-Cheng, 2016).		
2.	Expand on existing programs, such as		
	Audubon and ELC, Unify, Stinger Singers,		
	after-school programs, etc. (Haines et al.,		
	2016).		
3.	Implement mentoring program by staff and		
	students (Nai-Cheng, 2016).		
4.	Create a mentorship program with counselor		
	for Grade 5 students to mentor 1st graders.		
	Create a student government		
6.0	Grade 5 doing research choice projects that will		
	impact our community or a service occupation		
	(Teacher, law enforcement, etc.)		
7.7	As COVID subsides:		
-in	tegrate student and service learning		
	opportunities with field trips to organizations,		
	such as: Harbor Branch, Vero Beach Museum		
	of Art, =Halo Humane Society, Piper, FPL, first		
	responders program (Haines et al., 2016;		
	Warren, 2012).		
- e	xpand on existing community mentor program		
	(Nai-Cheng, 2016).		
- ir	nplement an intergrade level "Genius Hour"		
	community clubs within the school.

 Unify Basketball and Unify
Football
Project Unify basketball and
football team consists of
60% students with
exceptionalities and 40%
Gen ed students (up to 10
total). The coaches look for
up to 4 gen ed students that
are positive role models,
have great relationship
building skills, and who
possess the physical and
mental capacity to play and
co teach the sport to their
peers. Then we observe our
students with IEPs to find
those who have interest in
the sport, parental
permission, and who eagerly
participate in all PE
activities. All students
selected must not be a
major behavior risk, in order
to participate in the
program, as there are over
night field trips.
The Unify football team will
make all attempts to follow
the demographics of the
school as closely as possible.
,
Track tryouts are done
during PE class, when
students are required to run

a predetermined distance		
while the stopwatch is		
running. Coaches select 12		
students per grades 3-5 (6		
boys and 6 girls) for the		
team with two alternatives,		
38 total. Students with the		
fastest times are chosen for		
the track team, regardless of		
their race. There will be 35-		
40 students on the team:		
They will participate at the		
district track meet in April.		
district track meet in April.		
Basketball The selection		
process for basketball is		
done as follows: During PE		
class, all students who		
desire to try out are		
observed doing pre-		
determined skills. Students		
are required to dribble the		
ball with their right and left		
hand, attempt 3 layups and		
3 free throws. Students can		
earn up to 10 points during		
tryouts. 2 points for each		
hand and 1 point for every		
layup and free throw made.		
Students with the highest		
scores are selected for the		
team, regardless of their		
race. There are roughly 30		
students on the team. We		
will try to match the		
demographics of the school		
in our groupings. They will		
in our groupings. They will		

participate in the CASA Basketball Tournament in April.		
-трп.
