AAAP Quarter 2

School District of Indian River County African American Achievement Plan 2021-2022 Assurances of Implementation of Strategies/Action Steps

Glendale Elementary School

2021-2022 Quarter 2

In August 2021, the School District of Indian River County initiated the implementation of the 2021-2022 African American Achievement Plan. To review and ensure compliance with the progress of action steps associated with the African American Achievement Plan, the District provides quarterly updates related to action steps accomplished and quarterly outcomes. The attached documentation provides school-level evidence of progress towards accomplishing action steps incorporated into the 2021-2022 African American Achievement Plan. Documentation requirements have been designed to honor the full intent of the developed African American Achievement Plan while optimizing the efficiency and effectiveness of outlined actionable steps. To support ongoing accountability of action step implementation, documentation, and progress the following assurances have been verified by the principal of each school:

- Action steps included within the 2021-2022 African American Achievement Plan have been implemented with consistency and purpose to eliminate the achievement gap.
- Progress related to action steps has been monitored at designated intervals (e.g., monthly, quarterly) outlined in the African American Achievement Plan.
- Data reviews have been conducted to identify areas of strength and concern and disaggregated data will be provided upon request.
- Progress related to the elimination of the achievement gap has been monitored in an ongoing way and needed modifications have been made as identified.

Reviewed on 1/4/2022 Verified by Casandra Flores

Quarter 2 Reflection

We continue to focus on growth in academics of our African American students. We will continue to monitor student progress through Iready, unit assessments and classroom performance. We have used the Second iready diagnostic to start revamping our tiered intervention groups for the second semester to ensure all students are getting needed supports. We will continue to monitor RTI data every 6 weeks to evaluate the impact of the interventions being provided. We are seeing a slower gain in our math than ELA so we will put some extra efforts into math strategies when planning instruction and observing classrooms. We are continuing to provide professional development on engagment strategies and are now incorporating student data tracking along with teacher monitoring of student data. We want the students to be aware of and accountable for their own growth by setting goals and monitoring their performance data regularly. We are monitoring gifted referrals to ensure equity in opportunities to participate in enrichment programs. We are monitoring participation in extracurricular activities and will continue to reach out through multiple means of communication to share these opportunities with our families. We have also increase the availabe parent engagement opportunites.

Strategy AAAP 1.1 (ALL SCHOOLS): Monitor the curriculum matrix that integrat and is included in the curriculum map.	es African American History teachings in grades K-12
Number of Walk-throughs to Observe Implementation of African American History Teachings	4
Date(s) of Walk-throughs to Observe Implementation of African American History Teachings: (i.e. 8/27/2021, 9/13/2021, and 9/17/2021	11/9 and 11/10 11/16 and 11/17
Summary of observation(s):	
Standard SS.1.A.2.4 :	
Identify people from the past who have shown character ideals and principles	
including honesty, courage, and responsibility. Unit of Study: Unit 1 : People and Traditions Lesson 3: American Heroes This two-day lesson (Nov.16 and 17th) focused on courage - specifically about H escape slavery and the Underground Railroad.	arriet Tubman and her experiences assisting others
4th grade (ELA): Standard: ELA.4.R.1.2: Explain how rhyme and structure creat Connotations & Denotations, Idioms & Figurative Language Lesson 4: History of (Nov. 9-10th), students read and interpreted poetry and articles on Readworks"- H	African Americans Objective: During this two-day lesson

Sanford Harmony TIP

Field, Micki

Mon 10/18/2021 8:52 AM To: **Glendale, Teachers All** Cc: Flores, Casandra

Here is a Sanford Harmony Idea for building inclusiveness.

Students plan a special event with their classmates.

Each week a student can create a personal invitation to a classmate to have lunch or snack with them. Each week it will be a new buddy pair, until everyone has been included in this special event time. This will help students to build stronger relationships with students they do not normally sit or associate with.

Have a good week!

Micki Field School Counselor Glendale Elementary

Start where you are, use what you have, do what you can

Here is an ongoing theme for this month: The Key to being a Good Friend.

Print the key templates and have students cut them out. They will write a "key" to being a friend on the key. Then they can color them. This can be displayed on colored construction paper (like shown).

Some "Key" ideas: You have a right to your opinion I will listen to you No judgement! Being mean is NOT cool I like you just the way you are Treat others with respect Do not exclude others Treat others with kindness! Everyone deserves respect

Let them get creative with finding good friendship tips as well! This can be adjusted by grade level! Also, you can give them a chance to share with the class about their "Keys", and why they think it is important!

You can work on this project all month so it does not take time away from instruction.

Have a great week and remember I appreciate ALL you do!!! 🙂

Professional Development Tuesday, January 4th, 2022 Agenda

We will meet from 8:30-12:30. (8:00-8:25 arrive to campus, chat and welcome back)

- 8:30- PD will begin All teachers in Media Center
 - Review ALICE/DAARP and safety procedures
 - o Updates on Raptor Alert App
- 9:10 Introduce School Wide Reading Challenge
- 9:40 Tying in Environmental Science
 - (How can you incorporate your grade level theme with what you are already covering in Science/Social Studies or Reading)
- 10:10 Review Predicted School Grade
 - How it's calculated
 - o Power BI predictions
 - o Ante Up process
- 11:10 Split into groups
 - K-2 (go with Koppelman and McCabe) Will include DIBELS training and data review
 - o 3-5 (media with Flores, Brown and Corey)
 - Data analysis (Predict proficiency, gains, and BQ gains) Look at all subgroup data
 - Which students are performing well? How are you continuing to push them?
 - Which students are underperforming? Regressing?
 - How will you support each of these groups of students to keep them moving forward?
 - Update RTI groups (3-5 discuss revisions to this process)
- Student recognition How are you recognizing your students efforts? Are all groups being recognized equitably?
- 12:30 Remainder of day is Teacher Work day to do as you need

Remember to have a copy of your report cards in our mailbox by the end of the day Wednesday for quick review, you will get this copy back to hand out to students. Report cards go home Monday, Jan. 10th. Send your awards breakdown list to Mrs. Flores by Friday, Jan. 9th.

them our

game

faces.

Glendale Elementary School

MTSS / RTI Data Chat – ELA November 15, 2021

Agenda:

 Professional Development Piece : Engagement Strategy Idea Kagan Strategy – Jot Thought

Jot Thoughts

Students "cover the table," writing ideas on slips of paper.

Students will need many smalls slips of paper to write down their thoughts, ideally sticky notes. The teacher will start out by naming a topic, setting a time limit, and will provide **THINK TIME** before students start writing. (*Primary & Secondary sources are also great to use for a topic*)

For example, by observing the picture below, what conclusions can you come up with?

Students write and announce as many ideas as they can in the time given. One idea per slip of paper.

Each slip of paper is placed in the center of the table. Students will attempt to cover the table with all slips, but none of them overlap each other.

Write it, Show it, Say it

 Review Data: Use One Drive Sheet to review student performance with tiered intervention supports in reading.

- Positive, Flat, Negative, Questionable
- Keep, Change, Add, Remove
- How are your AA students performing with these interventions?
- What percentage of our AA students are making gains in reading performance?
- What percentage of our AA students are showing declines in reading performance?
- What specific strategies are you using with your AA students to ensure they are engaged and learning? How are you monitoring their progress in class?
- What new strategies will you use to keep your AA students engaged and learning? How will you progress monitor?
- III) Any students you need to refer to the MTSS core team for further review?
- IV) Any new students you want to add to tiered interventions?
- V) Any questions or supports needed before our next MTSS/RTI data chat?

Be sure all data is up to date in your One Drive sheet for your intervention groups, both tier 2 and tier 3

Strengths:

Standards based instruction - tasks meeting the standard Engagement and teacher monitoring made big gains Student excitement about learning Students talking and working in groups, ****Socratic Seminar, student discourse Collaborative planning is evident. Use of Amplify evident across ELA. Standard based instruction is occurring. Curriculum is core based. High level of student engagement in math. Strong SEL supports. Student centered environment with an academic focus. Students leading learning in math. MTR 4 evident in most math classes. (discourse between students) Wonderings: Are you sharing with students "The Why" of the standard - focus on the ELA standard in Amplify and not just the content How are you planning the pacing of your lesson? How are small groups formed? What do teachers do with the data collected during instruction (monitoring, what do you do about what

you see?)

Is the "How" discussed in collaborative planning. What will this instruction look like from room to room, how are you differentiating, how are you using groups?

Next Steps:

Having teachers observe Socratic seminar in other rooms. Let teachers observe each other. Dig into differentiation during collaborative planning Plan engagement strategies purposefully, specific strategies

Set January Reading Challenge

Strategic teacher observations with reflection (New teachers observe experienced teachers with a focus are to look for and then reflect on).

Enrichment for higher level students.

Common language for the learning target. (How you are sharing the learning target with the students, consistency across the team)

Develop higher order questions during collaborative planning.

Cultural relevance during instruction (incorporating diversity within the classroom).

Focus on differentiation during collaborative planning.

Intentional focus on engagement strategies during collaborative planning.

Classroom Environment:

All classrooms need to have PBIS expectations posters posted in room

Revise to incorporate thinking map

Review of expectations across campus in January

Create "Traits about Me" map and goals Academic, Behavior, Home/Hobbies

CHAMPS visible and referenced by teachers

Active Supervision by teachers

PBIS expectations visible and students share ownership

Students actively engaged in work/lessons

Whole Brain Thinking strategies in use in some classrooms

Positive redirection/overall positive welcoming environment

Opportunities:

Intentional use of CHAMPS

Increase use of PBIS classroom expectation posters (with student generated examples)

Develop Sanford Harmony goals with students and post to reference during meet up (have students sign)

Utilize Dojo to provide individual student recognition

Glendale Elementary School

Grade Chair Meeting November 29th, 2021

Agenda:

- 1) TEP reminders Observations will be starting as of this week
 - a. All PIGGs should be completed
 - b. Category 1 teachers will need one formal completed prior to the break
 - c. Check that you can log in to iObservation
- 2) Iready Diagnostic 2 starts this week any scheduling questions please see Mr. Brown
- 3) Review of SIP plan quarter 2 updates added in CIMS will update again with Diagnostic 2
 - a. Data review Subgroup performance
 - b. Recognitions
 - i. Will be using a spreadsheet to track awards given
 - ii. Will do an Honor Roll / Awards ceremony for the 2nd semester
- 4) Science Fair updates and/or questions Mrs. Porter
- 5) RTI data chat Math Dec. 1st Math
 - a. Will review how your progress monitoring is going
 - b. Please bring your progress monitoring data points (can just bring however you are tracking them)
- 6) Impact Walks with district next Tuesday Dec. 7th
 - a. Grades 3-5 schedule out this week (Focus on ELA, Math, Science)
 - b. Students working in pairs/groups
 - c. Teacher monitoring (evidence of how you are tracking student progress/understanding)
 - d. Engagement strategies
 - e. Differentiation (this is sometimes hard to see but may be noted in your lesson plans so please have this clearly highlighted)
- 7) Gator Express December 11th
 - a. Time? Location? Kona Ice (PTA payment ??)
 - b. Any other info we need to know
- 8) Holiday Stuff:
 - a. Winter Celebration December 15th and 16th 5-7pm (parents/families)
 - b. December Calendar for Staff
 - c. Dress down for students last week before the break
 - d. Holiday Store Week of Dec. 13-17 possible use of room in 800 wing
 i. Plan for winter celebration nights so parents can shop
 - e. Any other holiday stuff we should know?
- 9) Grade chairs Q & A

Glendale Elementary School

Grade Chair Meeting October 25th, 2021

Grade Chair Meeting

Agenda:

- 1) TEP updates review with all teachers a. Choose a date
- 2) Iready Minutes weekly requirements
- 3) Review of SIP plan quarter 2 updates
 - a. Data review
 - b. Subgroup performance
 - c. Recognitions
 - d. Extra curricular activities
 - e. Mentor-mentee groups
 - i. AAAP plan
 - ii. Multicultural coordinator updated job description
- 4) This week PD's
 - a. Amplify
 - b. ESE MTSS-B
 - c. Sanford Harmony (next week)
- 5) RTI data chat dates Nov. 12th ELA, Dec. 1st Math
 - a. Make sure you have updated your chats in OneDrive
- 6) Learning Walks for AP meeting this Thursday

Grade chairs Q & A

How will 1 know the structus know and understand the scule/ content? What will 1 know the structure to master? October 19th, 2021

Dear Parents:

Your child has expressed an interest in joining the Glendale Chorus for the
2021-22 school year. The chorus meets each day during the school day at 8:20am
It is important that all students attend as many rehearsals as possible so they are
prepared for upcoming performances. Attendance will be taken at each rehearsal.
Performances include school concerts and some off campus around our
community.

Chorus Rehearsals will start October 25th. Our first performance will be our annual Dinner with Santa night in December. It is always a ton of fun for the chorus members to show off what they learned at this event. A letter with more information on this event will be sent out at a later date.

You and your child will also need to read the attached Glendale Chorus contract and return it with signatures.

I look forward to working with your child this year. I will keep you informed about upcoming performances as they are scheduled. Please call me if you have any questions, comments or concerns. (772) 978-8085.

Sincerely,

Little

Mr. Little

とい **Glendale Chorus** Contract

- 1. Students who love to sing
- 2. Good citizens who follow school rules
- 3. Helpful and cooperative

- 4. Demonstrate a good attitude towards learning
- 5. Good musicians who keep up with their musical knowledge and continue to learn
- 6. Good students who keep up with their homework responsibilities

- 1. Members will attend and be on time for rehearsals and performances.
- 2. Members must do their best to learn their part.
- 3. Members will exhibit appropriate behavior during rehearsals. A quiet atmosphere must be present to hear music and instructions.

2021 Glendale University Extended Learning Institute

Your child, _____, has been invited to an engaging after-school institute. The focus will include skills and strategies to prepare students to become lifelong learners in small groups settings.

This opportunity is at **<u>no cost</u>** to you and **<u>transportation</u>** will be provided. Students will also receive an after-school snack.

We ask that students attend EVERY session of the institute to get the most from it, as skills will be built upon from one session to the next. Safe, responsible, and respectful behavior expectations will be in place. Students who show difficulty with these will not be allowed to participate. <u>This form must be completely filled out and returned no later than October 15,</u> <u>2021 or your place will be filled.</u>

The institute will be held on Tuesday and Thursday afternoons

3:45 - 5:15 pm

2021 Dates:

November 2, 4, 9, 16, 18, 30 December 2, 7, 9, 14, 16

___YES, my child WILL attend Institute for all sessions.

NO, my child WILL NOT attend Institute.

___ YES, my child needs bus transportation.

___NO, 1 WILL pick up my child by 5:15 pm. <u>*Repeated late pickups will result in dismissal</u> from the program.
