School District of Indian River County African American Achievement Plan 2021-2022 Assurances of Implementation of Strategies/Action Steps

Osceola Magnet School

2021-2022 Quarter 3

In August 2021, the School District of Indian River County initiated the implementation of the 2021-2022 African American Achievement Plan. To review and ensure compliance with the progress of action steps associated with the African American Achievement Plan, the District provides quarterly updates related to action steps accomplished and quarterly outcomes. The attached documentation provides school-level evidence of progress towards accomplishing action steps incorporated into the 2021-2022 African American Achievement Plan. Documentation requirements have been designed to honor the full intent of the developed African American Achievement Plan while optimizing the efficiency and effectiveness of outlined actionable steps. To support ongoing accountability of action step implementation, documentation, and progress the following assurances have been verified by the principal of each school:

- Action steps included within the 2021-2022 African American Achievement Plan have been implemented with consistency and purpose to eliminate the achievement gap.
- Progress related to action steps has been monitored at designated intervals (e.g., monthly, quarterly) outlined in the African American Achievement Plan.
- Data reviews have been conducted to identify areas of strength and concern and disaggregated data will be provided upon request.
- Progress related to the elimination of the achievement gap has been monitored in an ongoing way and needed modifications have been made as identified.

Reflection

We have been holding unit assessment data chats in which we identify students that have been struggling with specific standards....we then re-teach and reassess those specific standards to determine mastery. This approach has been working well and we will continue to implement this strategy through the school year. We have strategically identified students in 3rd – 5th that are not receiving supports and have now shifted our reading coach from a pure coaching model to a hybrid model in which she works with a large number of students. We have been varying the teaching approaches to accommodate diverse learning styles and language proficiency and have been able to bridge cultural differences through effective communication. This has allowed us to show the students how differences among their peers and them make for better learning. Next Steps will be to continue working with the AA students that receive RTI in T2 or a T3 model and monitoring consistently for fidelity and rigor.

Strategy AAAP 1.1 (ALL SCHOOLS): Monitor the curriculum matrix that integrates African American History teachings in grades K-12 and is included in the curriculum map.

Number of Walk-throughs to Observe Implementation of African American History Teachings	5
Date(s) of Walk-throughs to Observe Implementation of African American History Teachings: (i.e. 8/27/2021, 9/13/2021, and 9/17/2021)	1/7/22-1/26/22-2/8/22-2/28/22-3/10/22

Summary of observation(s):

Observation resulted in AAA Matrix being seen as vertically integrated into plans that integrated the required teachings into the Social Studies instructional blocks.

Strategy AAAP 1.2 (ELEMENTARY ONLY): Ensure that African American students who show a substantial deficiency in reading in grades K-3 receive targeted reading intervention as defined by the District's Reading Plan.

Date of Quarterly School-Based Data Reviews of Students Performing in the Lowest Quartile in Grades K-3:

Strategy AAAP 1.3 (SECONDARY ONLY): Use Florida Early Warning Indicators to support secondary School Leadership Teams in developing and implementing interventions for African American students who are not on-track to graduate.

Summary of Action Steps/Plan Based Upon Reviews of Early Warning Indicators for African American Students:

Strategy AAAP 1.4 (SECONDARY ONLY): Implement processes to ensure that African American students have equitable access to advanced and accelerated courses in middle school and high school.

Strategy AAAP 2.1 (ALL SCHOOLS): Implement data-driven problem solving and provide needs-based supports to schools to specifically address identified discipline and achievement disparities.

DISCIPLINE

Date(s) of Problem-Solving Session(s) for Discipline: 2/9/22

Summary of Action Steps/Plan Based Upon Problem Solving Session(s) for Discipline:

We completed a historical look back on this years discipline data. We have had 33 referrals of which 17 were ODR's. Of the 17 ODR's 47% were the result of 1 child that has been placed on a BIP/CICO and has a ESE TA assigned to. Additional steps are being taken to ensure future progress.

ACHIEVEMENT

Date(s) of Problem-Solving Session(s) for Achievement: 2/9/22, 3/16/22, 1/11/22

Summary of Action Steps/Plan Based Upon Problem Solving Session(s) for Achievement:

After the february data chat OMES has implemented an additional group for A2 utilizing Lexia to address the deficiency of our ELA BQ and Math BQ students. Through this process we were able to service an additional 14 students between 4th and 5th grade. We are monitoring through fidelity walks during our RTI blocks. We have been having consistent monthly RTI Data Chats, for K-5 and reviewing student trends and moving students out of RTI and also brining some students into RTI as well as having student matriculate into enrichment groups and supplemental Tier I groups during RTI. We have been holding unit assessment data chats in which we identify students that have been struggling with specific standards....we then re-teach and reassess those specific standards to determine mastery. As of the return from the last Datacom we have strategically identified students in 3rd – 5th that are not receiving supports and have now shifted our reading coach from a pure coaching model to a hybrid model in which she works with a large number of students.

Strategy AAAP 2.2 (SECONDARY ONLY): Implement alternative discipline interventions and supports for African American students identified as off-track according to disciplinary Early Warning Indicators.

Number of Students in Racial Subgroup Supported by an Alternative Intervention Measures (A.I.M.) Advocate or Alternative School-based Program to Inspire Renewed Excellence (A.S.P.I.R.E.) Teacher During the Quarter

Strategy AAAP 2.3 (ALL SCHOOLS): Monitor that all out-of-school suspensions are approved by principal supervisors prior to being assigned to a student.

Reported Out-of-School Suspensions for Quarter 3

Select One:

No out-of-school suspensions were assigned during this time frame.

All out-of-school suspensions were pre-approved by a principal supervisor.

AAAP Quarter 3

Strategy AAAP 2.4 (ALL SCHOOLS): Ensure that School Improvement Plans for all schools specifically address how schools are providing interventions related to achievement gaps for African American students.

Date of Quarterly Review of School Improvement Plan: 2/9/2022

Does the School Improvement Plan Continue to Address the Achievement Gap for African American Students? Yes

If no, what modifications will be made to address the achievement gap?

Summary of Action Steps/Plan based upon District Impact Review (based upon District & School Level Reviews): We have been holding unit assessment data chats in which we identify students that have been struggling with specific standards....we then re-teach and reassess those specific standards to determine mastery. This approach has been working well and we will continue to implement this strategy through the school year. We have strategically identified students in 3rd – 5th that are not receiving supports and have now shifted our reading coach from a pure coaching model to a hybrid model in which she works with a large number of students. We have been varying the teaching approaches to accommodate diverse learning styles and language proficiency and have been able to bridge cultural differences through effective communication. This has allowed us to show the students how differences among their peers and them make for better learning. Next Steps will be to continue working with the AA students that receive RTI in T2 or a T3 model and monitoring consistently for fidelity and rigor.

Strategy AAAP 3.1 (ALL SCHOOLS): Increase communication regarding the availability of extracurricular activities through the dissemination of a resource that provides information for individual schools.

Date of Quarterly Review of Extracurricular Activity Student Participation Data within Focus Student Information System: 3/28/2022

Total Count of African American Students Participating in One or More Extracurricular Activities	Total Count of African American Students Enrolled (#)	Total Percent of African American Students Participating in One or More Extracurricular Activities
24	85	28.2 %

Summary of Action Steps/Plan to Increase Communication Regarding the Availability of Extracurricular Activities:

We will continue to monitor the participation in all Extracurricular activities to ensure that an equal representation is evident as related to the student body of OMES. We will continue to ensure that we distribute informational materials across the community with information about upcoming opportunities to all students. We have questions as to why ALL clubs that have been added through the "Mass Add Log Record" process are not represented in the "Power BI Extracurricular Activities APP" on the district web page.

(SECONDARY ONLY) Number of Students Participating in the African American Student Council (All Grade Levels):

Strategy AAAP 4.3 (ALL SCHOOLS): Maintain diverse interviewing committees, while using universal application and interview protocols for the selection of instructional vacancy candidates.

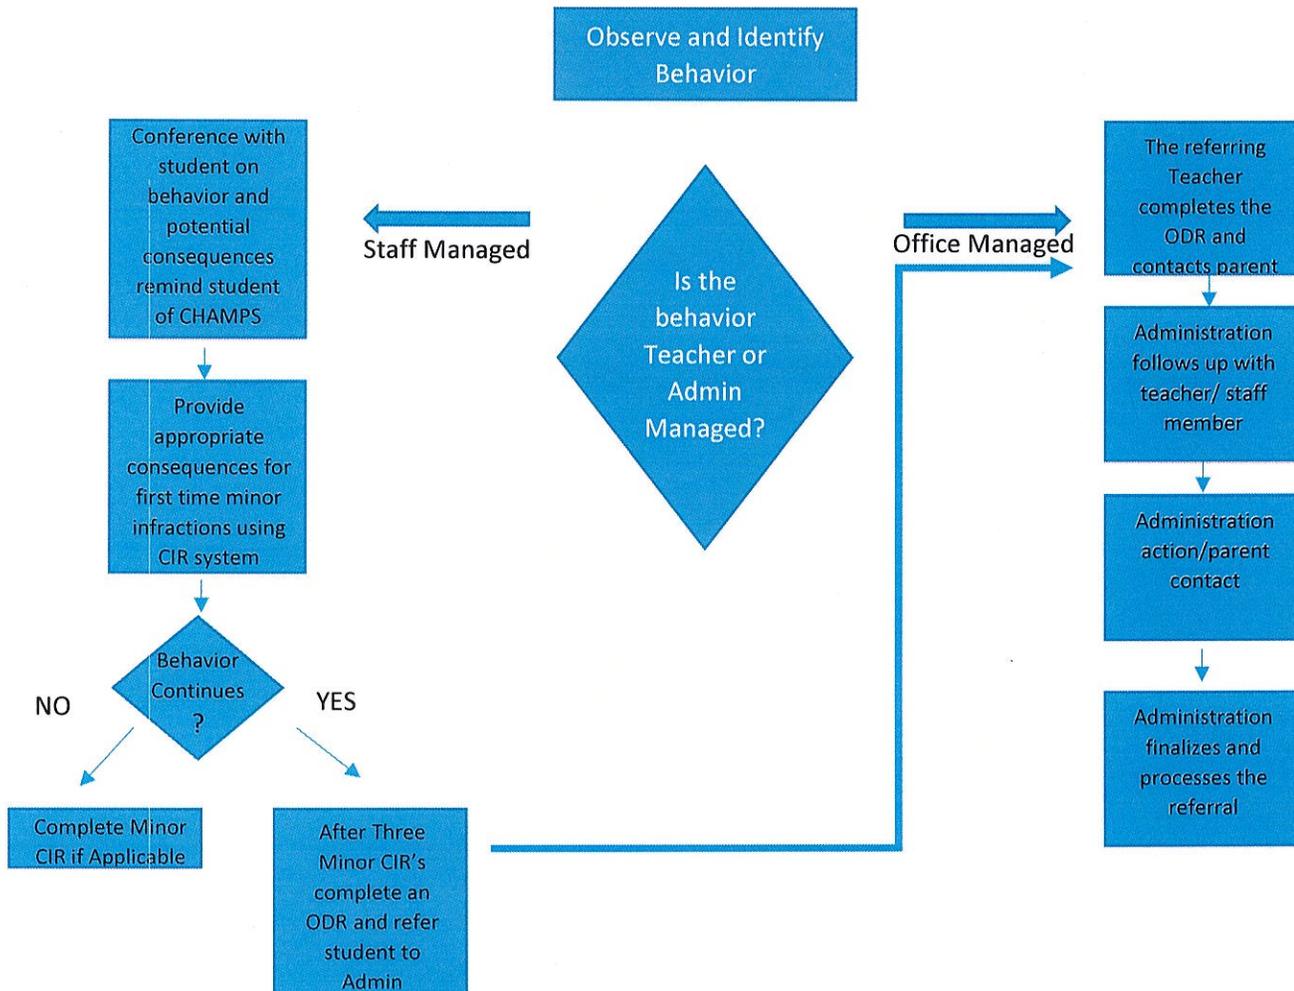

Number of Interviews Conducted by the Interview Committee: 0

Percentage of Interviewers on Interview Committee by Race

African American	White, Non-Hispanic
0 %	0 %

The Placement Domains

- Identify any areas of weakness in the 6 foundational reading domains. Example student is struggling with Comprehension of Lit and Informational Text.

Approved RTI / Progress Monitoring Resources

- Compare what we have available here at OMES
- Choose resources
- Develop system to implement and monitor
- Schedule follow up

Establish frequency of Progress monitoring to occur

- 1 x a week for Tier III
- 1 x every 2 weeks for Tier II

Teachers will effectively analyze and break down data to accurately reflect the need to support student achievement.

OMES Extracurricular

Activity	Description	Photo
Youth Sailing	Afterschool instruction in the sport of sailing to kids of all backgrounds on our unique Indian River Lagoon engaging them in a safe, fun and social activity while challenging them to be responsible, confident and independent.	 <p>A photograph of three sailboats on the water. The text 'Vero Beach's Community Sailing' is overlaid on the image. The sailboats have numbers 16, 7078, and 7840 on their sails.</p>
Art Club	Afterschool club that encourages and supports appreciation and creation of fine art with emphasis on all forms of painting, collage and sculpture	 <p>A logo for 'After School ART Club'. The word 'ART' is written in large, colorful letters (red, yellow, green, purple). Above the 'A' is a red handprint, and below the 'T' is a yellow handprint. The words 'After School' and 'Club' are written in smaller text.</p>
TV Studio	The skills and discipline required to plan, script, present and technically produce a televised broadcast can help students in other areas of learning, such as comprehension, literacy, computer graphics and math.	 <p>A photograph of a television studio set. A person in a red shirt is in the foreground, and a camera on a tripod is in the middle ground. There are balloons and other studio equipment visible.</p>
Snag Golf	SNAG Golf ('Starting New At Golf') is the best first touch program to effectively teach the game of golf to people of all ages and ability levels. SNAG® Golf offers the versatility to learn and play in almost any environment you choose.	 <p>The logo for SNAG Golf. It features the letters 'S', 'N', 'A', and 'G' in a stylized, colorful font. Below the letters is the text 'starting new at golf'.</p>
Tinker CAD Club	The 3D Printing Club is a place for students to collaborate on creative design and engineering solutions.	 <p>A photograph of two students looking at a 3D printer. One student is pointing at the printer's output.</p>
ORFF Ensemble	The Orff approach is a way of introducing and teaching children about music on a level that they can easily comprehend. Musical concepts are learned through activities children enjoy. Singing, chanting, dance, movement, drama and the playing of percussion instruments. Improvisation, composition and a child's natural sense of play are encouraged.	 <p>A photograph of various Orff-style percussion instruments, including xylophones, metallophones, and drums.</p>

OMES Extracurricular

<p>ORCA Conservation</p>	<p>Ocean Research & Conservation Association partners with the school to teach students about the protection and restoration of aquatic ecosystems and the species through the development of innovative technologies and science based conservation action.</p>	
<p>Robotics Club</p>	<p>Sphero activities are STEAM-centric and designed to inspire student creativity. Navigate a maze. Program a painting. Mimic the solar system. Design a boat. Have a dance party...the only limit is the student's imaginations. Explore activities aligned to NGSS, CCSS, and various state standards to breathe new life into the school curriculum, use them as a collaboration tool, makerspaces, enrichment programs, and more.</p>	
<p>Girls on the Run</p>	<p>Running program that inspires girls to be joyful, healthy and confident using a fun, experience-based curriculum which creatively integrates running.</p>	
<p>Gardening Club</p>	<p>After school garden clubs provide a great way for students to learn about gardening and gain hands-on experience growing their own food, and tasting the fruits (and vegetables!) of their labor.</p>
